

**CONGESTION MITIGATION and AIR QUALITY (CMAQ)
FISCAL YEARS 2018 and 2019
PROPOSED DCHC MPO PROJECTS**

Project Title: South Greensboro Street Sidewalk
Jurisdiction: Town of Carrboro
Funding Request: \$440,000
Project Description: Construct 3,100 linear feet of sidewalk along one side of South Greensboro Street from just south of NC 54 to Downtown.

Project Title: Replacement Buses
Jurisdiction: Chapel Hill Transit
Funding Request: \$1,093,015
Project Description: Replace three 1998 NOVA buses with clean diesel buses.

Project Title: Bike Lanes
Jurisdiction: City of Durham
Funding Request: \$403,200
Project Description: Construct up to eight miles of bicycle lanes throughout the City through restriping.

Project Title: Bikeshare
Jurisdiction: City of Durham
Funding Request: \$600,000
Project Description: Implement Phase I of a bicycle share program in the City of Durham, which includes the design, procurement, and installation of 20 bicycle share stations and approximately 175 bicycles near Downtown Durham, North Carolina Central University, Durham Technical Community College, and Duke University.

Project Title: Downtown Durham Wayfinding
Jurisdiction: City of Durham
Funding Request: \$556,600
Project Description: Install wayfinding kiosks to enhance visitors' and local's ability to easily navigate to desired destinations and parking, and decrease traffic congestion by reducing search time for destinations and parking.

Project Title: Downtown Loop Bike Lane
Jurisdiction: City of Durham
Funding Request: \$262,500
Project Description: Design and construct a one or two-way 0.8-mile separated bicycle lane along the Downtown Loop from Cleveland Street counter-clockwise to Blackwell Street.

Project Title: Electric Buses

Jurisdiction: City of Durham

Funding Request: \$400,000

Project Description: Replace a 2003 40-foot Gillig bus with two 23-foot electric buses.

Project Title: Neighborhood Greenways

Jurisdiction: City of Durham

Funding Request: \$505,498

Project Description: Plan, design, and construct approximately seven miles of neighborhood greenways in Durham.

Project Title: Triangle Transportation Demand Management (TDM)

Jurisdiction: Triangle J Council of Governments (TJCOG)

Funding Request: \$538,690

Project Description: Implement the Triangle TDM Plan in the western half of the Triangle to reduce the growth in commute vehicle miles traveled (VMT) by 25 percent.
