US 70 Corridor Study Durham County

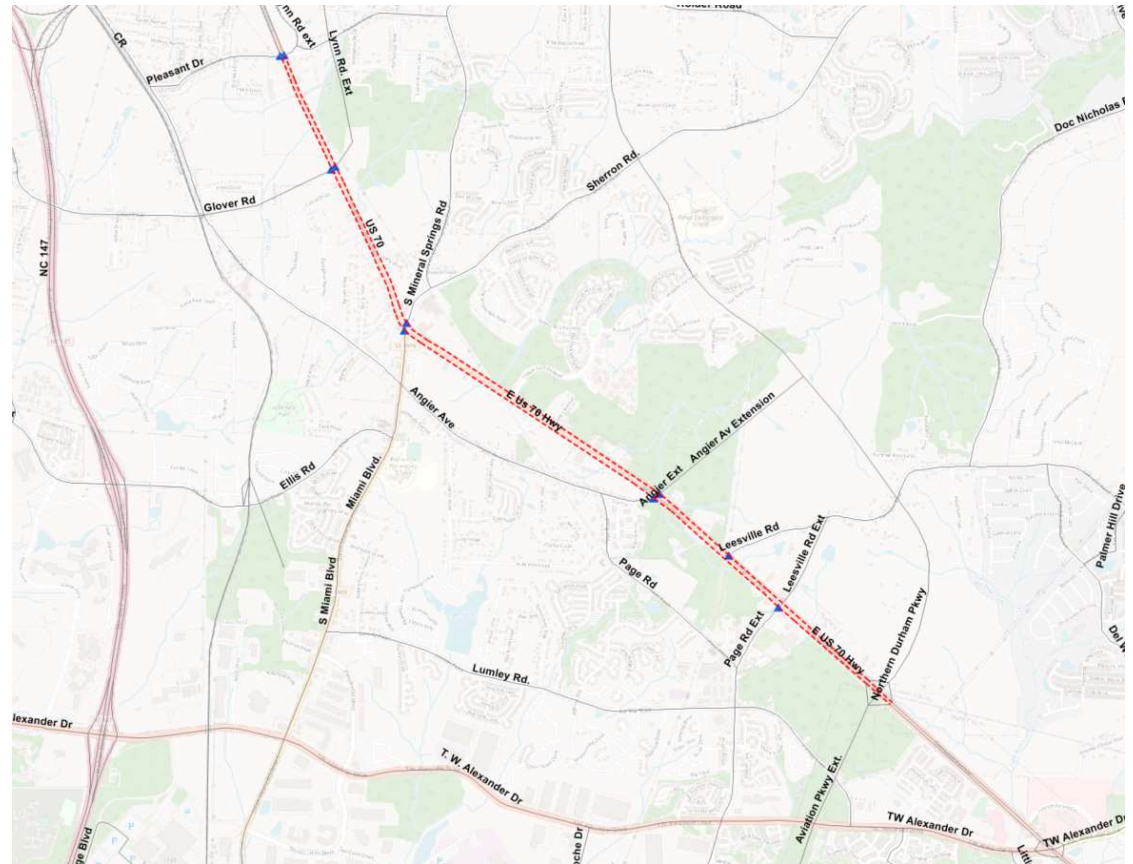

Jacob Ford, Transportation Modeler

Jacob.Ford@durhamnc.gov

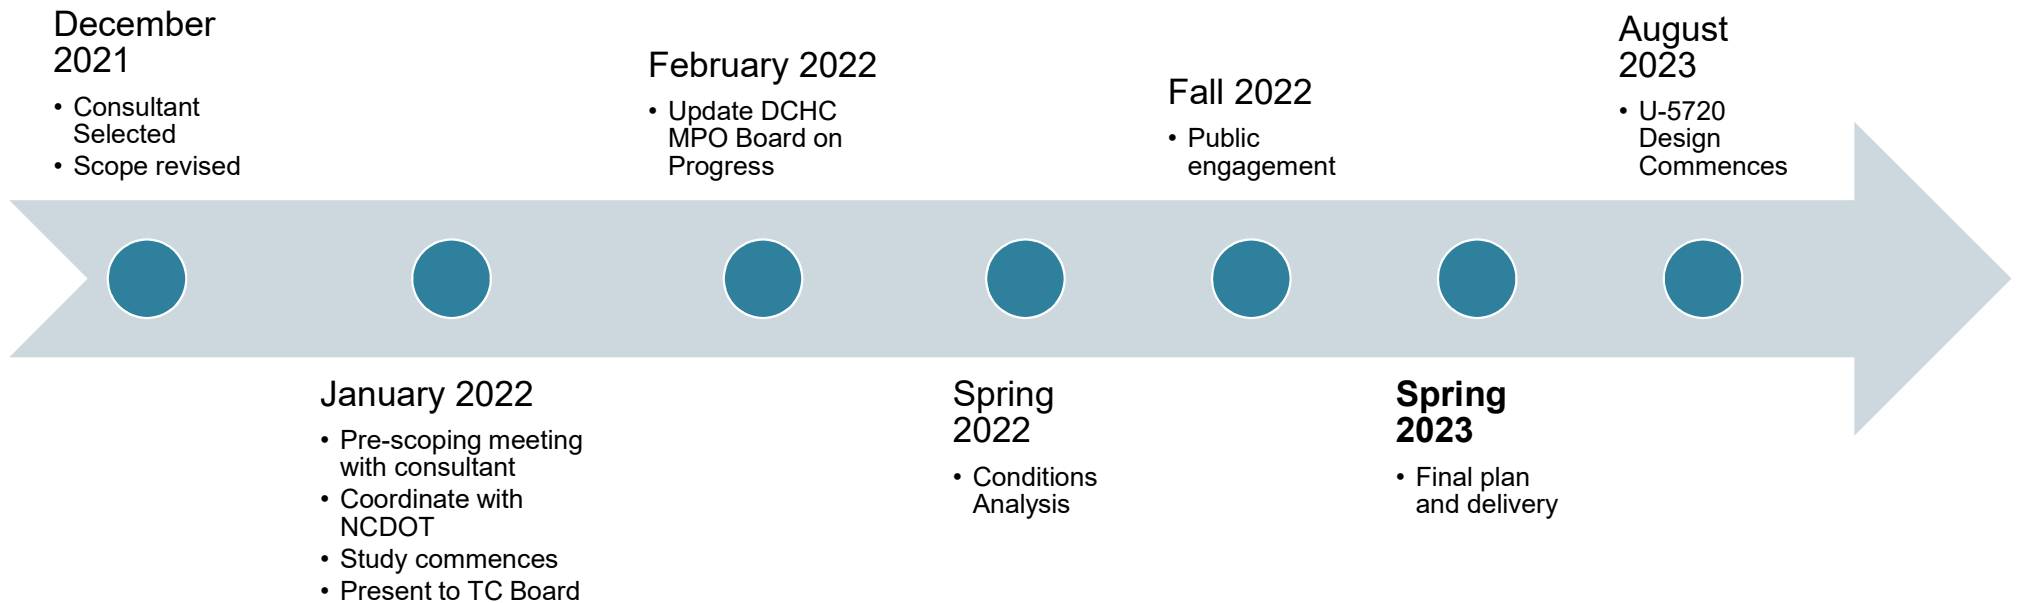

US 70 Corridor Study Background and Update

- Traditional corridor study, moving away from access and connectivity focus
- Boulevard conversion:
 - Summarize existing challenges to boulevard conversion
 - Interchanges and/or grade-separation
 - Existing and Future analysis with multi-modal focus
- Evaluate potential impact on sustainable and equitable transportation networks
- Completion data of Spring 2023 not altered
- DCHC MPO staff actively assist consultant, provide data and modeling support
- Coordinating with NCDOT as an **active partner**

US 70 East Corridor Study Timeline
