72 The roll call was completed using a sign-in sheet for in-person attendees, and the Zoom participant
73 list for remote attendees.
74

75 **3. Adjustments to the Agenda**

Chair Karen Howard asked the Board if there were any adjustments to the agenda. There were no
adjustments.

76 **4. Public Comments**

77 Chair Karen Howard asked if there were any public comments. Joe Milazzo, the Director of the
78 Regional Transportation Alliance (RTA) mentioned that RTA is going on a tour to Richmond, Virginia to
79 visit a nearby peer city for a quick, intentional field visit of a freeway cap, bus rapid transit (BRT) facilities,

80 and other multimodal infrastructure. Joe Milazzo stated that RTA is supporting the US 70 East Corridor
81 Study project and is requesting that a junior freeway design be considered along the existing alignment
82 between I-885 and I-540, or at least to the county line. Mr. Milazzo expressed his support for other
83 projects.

84 **CONSENT AGENDA:**

85 **5. Approval of the April 9, 2024, TC Meeting Minutes**

86 **Jean Debnam, MPO Staff**

87
88 Wendy Jacobs made a motion to approve the Consent Agenda. Mark Bell seconded the motion.

90
91 **PRESENTATION ITEMS:**

92
93 **6. DCHC MPO Wildlife Crossing Planning Study**

94 **David Miller, MPO Staff**

95 **Ron Sutherland, Wildlands Network**

96 **Ramona McGee, Southern Environmental Law Center**

97
98 David Miller introduced co-presenters, Ron Sutherland and Ramona McGee. Ron Sutherland
99 along with his colleague Nikki Robinson provided a background on roadway ecology and wildlife crossings
100 and shared some of the progressive work conducted by Wildlands Network. Ron Sutherland explained
101 habitat connectivity and its theme of modern conservation biology in which organisms can move freely
102 across the landscape, described the use of wildlife crossings for the safe movement of wildlife species to
103 cross highways, and provided several visuals of road ecology. Ramona McGee shared a background of
104 the wildlife connectivity work conducted by the Triangle Connectivity Collaborative Transportation
105 Workgroup.

106 David Miller shared statistics from NCDOT's 2020 to 2022 animal-vehicle crash data, comparing
107 the MPO's area to statewide trends. David Miller provided an overview of the MPO's wildlife crossing
108 planning process, including the development of a core technical team consisting of MPO members and
109 partner agencies, site identification and assessments, anticipated timeline, and public engagement
110 activities. Michael Parker asked if there was a plan to develop a methodology to prioritize the various
111 infrastructure projects, to which Mr. Miller responded yes. Chair Karen Howard if there was any mapping

112 that showed where the wildlife crossing incidents were in Chatham County. David Miller directed her to
113 the project website where the crashes are reported in our planning area.

114

115 **7. US 70 East Corridor Study Phase 1 Report**

116 **David Miller, MPO Staff**

117 **Andy Henry, MPO Staff**

118 **Anne Lenart-Redmond, STV**

119

120 Andy Henry gave a brief background of the US 70 East Corridor Study, which included the timeline
121 of the planning process, key stakeholder engagement, and a recap of the second round of public
122 engagement. Anne Lenart-Redmond provided an overview of the two local alternative concepts, which
123 were the 4-lane boulevard, and 4-lane boulevard with parallel roads.

124 Andy Henry shared details of the study's next steps and Phase 2. Mr. Henry introduced the
125 Express Design Traffic Evaluation (EDTE) process, which will analyze the concepts developed by both
126 NCDOT and the MPO. Andy Henry shared that Phase 2 will include additional public engagement
127 efforts. Andy Henry provided an overview of the potential development timeline for both the NCDOT and
128 MPO concepts.

129 **ACTION ITEMS:**

130

131 **8. US 70 West Multimodal Corridor Study**

132 **Nishith Trivedi, Orange County Transportation Services Director**

133 **Lauren Triebert, VHB Project Manager**

134

135 Nishith Trivedi gave the background and provided updates for the Orange County's US 70 West
136 Multimodal Corridor Study. He stated that the study revealed traffic patterns on US 70 Business have
137 changed. Nish Trivedi said vehicles are speeding and accidents are increasing. Mr. Trivedi discussed
138 the goals of the Study and policy improvements. One of the policy improvements cited was to extend
139 sidewalk connectivity. Nish Trivedi introduced a recommendation to reduce speed in some areas to
140 decrease accidents.

Mark Bell asked if the comments from the Town of Hillsborough regarding their board's decisions of conditional approval were addressed in the Plan. Nish Trivedi said the issues were addressed. Wendy Jacobs asked for the budget comparison between US 70 East and US 70 West and how much was spent. Doug Plachcinski responded that he would develop a report with this information.

Jamezetta Bedford made a motion to adopt the US 70 West Multimodal Corridor Study. The motion was seconded by Mark Bell. The motion passed unanimously.

9. FY 2025-2029 Coordinated Public Transit-Human Services Transportation Plan
Colleen McGue, MPO Staff

Colleen McGue gave an overview of the Coordinated Public Transit Human Services Plan. Mrs. McGue explained how the traditional and non-traditional projects would be funded through the Enhanced Mobility of Seniors & Individuals with Disabilities Section 5310 Funds, and that fifty-five percent of these funds must be allocated to the traditional projects. Colleen McGue presented the timeline and next steps for the plan.

Wendy Jacobs requested the addition of a "responsible agency" for each of the strategies identified in the plan. Mrs. McGue said this could be added. Jamezetta Bedford made a motion to release the Draft FY 2025-2029 Coordinated Public Transit-Human Services Transportation Plan for a 21-day public comment period. Javiera Cabellero seconded the motion. The motion passed unanimously.

10. Amendment #3 to the FY2024-2033 Transportation Improvement Program
Filmon Fishastion, MPO Staff

Filmon Fishastion presented the FY2024-2033 Transportation Improvement Program Amendment schedule and mentioned the items included in the amendments and their status. Mr. Fishastion listed additional changes, which included eliminating duplicate information, as well as recently added projects from the MPO's Call for Projects. Chair Karen Howard asked if the duplicates were duplicate numbers. Mr. Fishastion confirmed yes.

Melissa McCullough made a motion to release the FY2024-2033 Transportation Improvement Program Amendment #3 for a 21-day public comment. The motion was seconded by Javiera Cabellero. The motion passed unanimously.
