ACTION ITEMS

6. Triangle Region ITS Strategic Deployment Plan Update (15 minutes)[20-167](#)**Felix Nwoko, LPA Staff****Casey Chae, LPA Staff**

The Triangle Regional ITS Deployment Plan was updated by a consultant team led by VHB, and joined by Iteris and ICF. The updated Triangle Regional ITS Deployment Plan reflects the current status of ITS deployments in the region and to identifies recommended deployments over the next 10 years. The recommendations in the plan are intended to guide the continued implementation of strategies and technologies to improve safety and reliability of the regional transportation system. The update was prepared with the assistance and guidance of both CAMPO and the DCHC MPO and involved extensive participation by NCDOT and all local municipalities, transit agencies, and emergency service providers in the Triangle Region. The main report can be downloaded from the DCHC website (http://www.dchcmpo.org/programs/local/triangle_region_its_strategic_deployment_plan_update.asp).

On October 14, 2020, the DCHC MPO Board released the Triangle Regional ITS Deployment Plan for a 21-day public comment period. To date, no comments from the public have been received.

TC Action: Recommend the Board release adopt Triangle Regional ITS Deployment Plan.

Board Action: Adopt the Triangle Regional ITS Deployment Plan.

7. State of the Region Report (15 minutes)[20-172](#)**Felix Nwoko, LPA staff**

The DCHC MPO has recently completed the 2019 State of the Region report, a synopsis of demographic and economic trends affecting travel behavior and transportation system performance in the DCHC region. The report is organized into five chapters addressing demographics, the regional economy, regional structure and commuter flows, mobility metrics, and safety. The report sheds light on how the transportation system supports DCHC's goals of providing great quality of life, economic viability, and promoting environmental sustainability through transportation investments by providing a data-focused evaluation of the issues that affect - and are affected by - transportation.

On October 14, 2020, the DCHC MPO Board released the 2019 State of the Regional report for a 21-day public comment period. To date, no public comments have been received.

TC Action: Recommend that the Board adopt the 2019 State of the Region report.

Board Action: Adopt the 2019 State of the Region report.

8. TIP Amendment #3 (10 minutes)[20-165](#)**Anne Phillips, LPA Staff**

Amendment #3 to the FY2020-2029 TIP consists of projects that have been amended in the STIP by NCDOT and projects that were affected by NCDOT's STIP reprogramming exercise. For a list of projects that were affected by the STIP reprogramming, see the STIP Reprogramming List attachment. Projects amended by NCDOT in the STIP need to be amended in the MPO's TIP so that the TIP and STIP remain in concurrence.

DCHC MPO is also amending several locally administered projects to reflect more realistic project delivery schedules. For a full list of locally administered projects, see page two of the attached Full Report.

In accordance with conversations with NCDOT, three locally administered projects are being delayed to allow U-5823 Woodcroft Parkway Extension, which had a construction delay until FY 31 in the STIP reprogramming exercise, to move into construction into FY 23. These projects are:

- EB-5837 Third Fork Creek Trail
- EB-5834 Guess Road Sidewalks
- EB-5835 NC 55 Sidewalks

MPO and City of Durham staff are proposing schedule delays for these three projects - instead of a delay of more than ten years to the Woodcroft Parkway Extension - so that the City of Durham does not lose design work that has already been completed on the Woodcroft Parkway Extension. The City of Durham is paying for the design of the Woodcroft Parkway Extension with local funds.

Although changes to the locally administered projects do not meet the MPO Public Involvements Policy's definition of a substantial amendment ("addition or deletion of a project with an implementation cost exceeding \$1 million"), the MPO Board may vote to hold a 21-day public comment period for this amendment.

TC Action: Recommend that the MPO Board approve TIP Amendment #3.

Board Action: Approve TIP Amendment #3.

9. NC Moves 2050 Draft Recommendations (10 minutes) [19-130](#)**Julie Bogle, NCDOT**

NCDOT is conducting an update to its 30-year, long-range, transportation plan for the state, called NC Moves 2050, to guide North Carolina's future transportation policies and investments. A set of draft recommendations has been created and a short presentation on those recommendations will be provided.

NCDOT is taking comment on the draft recommendations through November 9. You can access the survey and draft recommendations report at <https://www.ncdot.gov/initiatives-policies/Transportation/nc-2050-plan/Pages/default.aspx>.

TC Action: Receive the report from NCDOT and provide comment on the draft NC Moves recommendations.
