

Revised Goals and Objectives for Consideration

Goal: Connect People and Places

CAMPO Objectives	DCHC MPO Objectives
<ul style="list-style-type: none"> <li>• Connect people to jobs, education and other important destinations using all modes.</li> <li>• Ensure transportation needs are met for all populations, especially the aging and youth, economically disadvantaged, mobility impaired, and minorities.</li> </ul>	<ul style="list-style-type: none"> <li>• Increase mobility options for all communities – particularly <u>underrepresented communities</u> of concern.</li> <li>• Achieve zero disparity of access to jobs, education, and other important destinations by race, income or other marginalized groups.</li> </ul>

Goal: Promote and Expand Multimodal and Affordable Transportation Choices (CAMPO); Ensure that All People have Access to Multimodal and Affordable Transportation Choices (DCHC MPO)

CAMPO Objectives	DCHC MPO Objectives
<ul style="list-style-type: none"> <li>• Enhance transit services, amenities and facilities.</li> <li>• Improve bicycle and pedestrian facilities.</li> <li>• Increase utilization of affordable non-auto travel modes.</li> </ul>	<ul style="list-style-type: none"> <li>• Enhance transit services, amenities and facilities.</li> <li>• Improve bicycle and pedestrian facilities.</li> <li>• Increase utilization of affordable non-auto travel modes.</li> </ul>

Goal: Manage Congestion and System Reliability

CAMPO Objectives	DCHC MPO Objectives
<ul style="list-style-type: none"> <li>• Allow people and goods to move with minimal congestion, time delay, and greater reliability.</li> <li>• Promote Travel Demand Management (TDM), such as carpooling, vanpooling and park-and-ride.</li> <li>• Enhance Intelligent Transportation Systems (ITS), such as ramp metering, dynamic signal phasing and vehicle detection systems.</li> </ul>	<ul style="list-style-type: none"> <li>• Allow people and goods to move with greater reliability.</li> <li>• Increase efficiency of the existing transportation system through strategies such as Transportation Demand Management (TDM) and Intelligent Transportation Systems (ITS).</li> <li>• <u>Increase travel choices and travel reliability while limiting the construction of new roads or expansion of existing ones.</u> OR</li> <li>• <u>Increase travel choices and travel reliability while limiting the construction of new roads or expansion of existing ones within Travel Choice Neighborhoods.</u> OR</li> <li>• <u>Increase travel choices and travel reliability while de-emphasizing new road construction in favor of sustainable alternatives.</u> OR</li> <li>• <u>Increase travel choices and travel reliability while de-emphasizing new road construction.</u> OR</li> <li>• <u>Increase travel choices and travel reliability while prioritizing multi-modal improvements.</u></li> </ul>

Goal: Promote Safety, Health and Well-being

CAMPO Objectives	DCHC MPO Objectives
<ul style="list-style-type: none"> <li>• Increase the safety of travelers and residents.</li> <li>• Promote public health through transport choices.</li> </ul>	<ul style="list-style-type: none"> <li>• Achieve zero deaths and serious injuries on our transportation system.</li> <li>• Provide all residents with active transport choices.</li> <li>• <u>Improve project design and traffic operations to minimize human error.</u></li> <li>• <u>Increase accessibility via universal design.</u></li> </ul>

Goal: Stimulate Economic Vitality and Opportunity (CAMPO); Stimulate Inclusive Economic Vitality (DCHC MPO)

CAMPO Objectives	DCHC MPO Objectives
<ul style="list-style-type: none"> <li>• Improve freight movement.</li> <li>• Coordinate land use and transportation.</li> <li>• Improve project delivery for all modes.</li> <li>• Target funding to the most cost-effective solutions.</li> </ul>	<ul style="list-style-type: none"> <li>• Improve freight movement.</li> <li>• Coordinate land use and transportation.</li> <li>• Improve project delivery for all modes.</li> <li>• Invest in cost-effective solutions to improve travel reliability and safety.</li> <li>• Ensure equitable distribution of transportation investments especially <u>to communities of concern for underrepresented communities.</u></li> </ul>

Goal: Ensure Equity and Participation

CAMPO Objectives	DCHC MPO Objectives
<ul style="list-style-type: none"> <li>• Ensure that transportation investments do not create disproportionate negative impacts for any community, especially communities of concern.</li> <li>• Promote equitable public participation among all communities, especially communities of concern.</li> </ul>	<ul style="list-style-type: none"> <li>• Ensure that transportation investments do not create disproportionate negative impacts for <u>communities of concern underrepresented communities.</u></li> <li>• Ensure equitable public participation among <u>communities of concern underrepresented communities.</u></li> </ul>

Goal: Improve Infrastructure Condition and Resilience

CAMPO Objectives	DCHC MPO Objectives
<ul style="list-style-type: none"> <li>• Increase the proportion of highways and highway assets rated in 'Good' condition.</li> </ul>	<ul style="list-style-type: none"> <li>• Increase the proportion of highways and highway assets rated in 'Good' condition.</li> </ul>

<ul style="list-style-type: none"> <li>• Maintain transit vehicles, facilities and amenities in the best operating condition.</li> <li>• Improve the condition of bicycle and pedestrian facilities and amenities.</li> <li>• Promote resilience planning and practices.</li> <li>• Support autonomous, connected and electric vehicles.</li> </ul>	<ul style="list-style-type: none"> <li>• Maintain transit vehicles, facilities and amenities in the best operating condition.</li> <li>• Improve the condition of bicycle and pedestrian facilities and amenities.</li> <li>• Promote resilience planning and practices.</li> <li>• Support autonomous, connected and electric vehicles.</li> <li>• <u>Create an accessible EV infrastructure network and prioritize alternative fuel sources.</u></li> </ul>
---	---

Goal: Protect the Human and Natural Environment and Minimize Climate Change

CAMPO Objectives	DCHC MPO Objectives
<ul style="list-style-type: none"> <li>• Reduce negative impacts on the natural and cultural environments.</li> <li>• Reduce mobile source emissions, greenhouse gas emissions and energy consumption.</li> <li>• Connect transportation and land use.</li> </ul>	<ul style="list-style-type: none"> <li>• Reduce negative impacts on the natural and cultural environments.</li> <li>• Reduce transportation sector emissions.</li> <li>• Achieve net zero carbon emissions.</li> </ul>
