RE: Request balance of STBG and Covid Relief be flexed to transit for Bus Shelters

Mr. Plachcinski,

Orange County Transportation Services requests a total of \$100,000 of the County’s Surface Transportation Block Grant (\$76,460) and some Covid relief (\$23,540) (STBG-Covid) FHWA funds be flexed to Transit FTA 5307 grant funds. We are programing these funds for bus shelters on government properties and submit this letter of support to provide the required twenty percent local match of \$25,000 as indicate below:

Project Name	County	MPO/RPO
Orange County Transportation Services Bus Shelters	Orange	DCHC MPO

Total Project Cost	\$ Amount of Match Contribution	Source of Match/ Contribution	% Total Project Cost	Required Match (Yes/No)
\$125,000	\$25,000	General Funds	20%	Yes

We have no plans to use any remaining balance after this request.

Please let me know if you have any questions, comments or concerns.

Sincerely,

Nishith Trivedi
 Transportation Director
