Re: Triangle Household Travel Survey Progress Report – FY23 Q3  
ITRE Accounts: CAMPO (5-67861), DCHC (5-73769), GoTriangle (5-73650), and  
NCDOT (5-73613)

The Triangle Household Travel Survey is progressing on schedule. Work during this past quarter included the following:

- Biweekly team meetings.
- Conduct survey:
  - Distributed gift card incentive to survey participants.
  - Coordination with call center.
- Process 2022 survey data:
  - Updated draft data and documentation with complete set of data.
- Combine data with previous years:
  - Continued setting up scripts and codebooks to combine 2022 data with previous years of data collection.
- Weight survey data:
  - Continued weighting 2022 data and preparing scripts to generate weights for previous years.
  - Began weighting 2016 – 2021 data.
- Final reporting:
  - Prepared final report outline.
  - Began updating methodology report sections and setting up scripts for analysis portions of report.
  - Began preparing tables for results section.
