

Conclusions and Recommendations

- Although projects may be equitably distributed, communities may not necessarily experience benefits and burdens equitably
 - Suggests more detailed benefit/burden analysis for future versions of the report
- Adjust EJ methodology as DCHC region grows, changes demographically, and as best practices evolve
- Adjust Public Involvement Policy to address future demographic changes
- Tailor outreach strategies to the values, traditions, and histories of communities and populations that exist in the DCHC area
- Consider creating project specific EJ advisory committees
- Update EJ report as new MTPs are adopted
