### Update on Wake Transit Major Investment Study (15 minutes)

**Geoff Green, GoTriangle**

**Aaron Cain, LPA Staff**

In 2016, after the adoption of the Wake County Transit Plan, CAMPO, GoTriangle, and the City of Raleigh enlisted the assistance of Nelson Nygaard to develop a Major Investment Study (MIS) for Wake County Bus Rapid Transit (BRT) and Commuter Rail Transit (CRT). Durham County, the City of Durham, and DCHC MPO have been participants on the Core Technical Team (CTT) to develop the CRT portion of the MIS as the joint DCHC and CAMPO Metropolitan Transportation Plan (MTP) envisions CRT serving both Wake and Durham counties, with eventual service to Orange and Johnston counties.

GoTriangle will present an update on progress and future development of the CRT portion of the MIS.
