John Hodges-Copple, TJCOG

At its November meeting, the Board directed staff from the MPO and TJCOG to make edits to the two policy sheets, Active Transportation and TDM/Technology, based on comments received from Board members. Updated versions of those sheets are attached for your review. Also attached are the compilation of comments that were received from the Joint MPO Board Meeting.

This item is an opportunity for the Board to discuss these items and provide feedback to staff.
