Joint MPO Policy Priorities (10 minutes) **John Hodges-Copple, TJCOG**

On December 1, 2020, at the Joint DCHC-CAMPO Board meeting, updates to two policy initiatives were discussed: Demand Management and Technology and Active Transportation. A third of the seven policy priorities previously adopted by both boards was also expanded: Invest for Success. These three policy initiatives have been further updated based on comments from board members at the joint board meeting. These priorities are being brought to the full board of each MPO for adoption and use by board members in discussions with their delegations at the North Carolina General Assembly and Congress, and in guiding MPO work plans.

Board Action: Adopt the revised Demand Management and Technology and Active Transportation policy initiatives, as well as the expanded Invest for Success.
