### Joint DCHC-CAMPO MTP Scenario Framework (15 minutes) John Hodges-Copple, TJCOG

On December 1, 2020, at the Joint DCHC-CAMPO Board meeting, a framework for potential scenarios for the 2050 MTP was introduced to the board members. The next step is to begin the building blocks for these potential scenarios, and the way they will be developed; comment and discussion is being sought from each MPO Board on these potential scenarios.

**Board Action:** Provide input on the framework for potential scenarios for the 2050 MTP.
