### **MPO Collector Street Plan (20 minutes)**

**Andy Henry, LPA Staff**

The DCHC MPO and many of its local jurisdictions have collector street plans. However, many of these plans are dated and together they only cover a portion of the MPO planning area. In addition, the LPA staff believes that some roadways that were included in the recently adopted Comprehensive Transportation Plan (CTP) and 2045 Metropolitan Transportation Plan (MTP) will be funded, built and function as collector streets, not as arterial roadways. The MPO staff is proposing that the MPO create an MPO-wide collector street plan. The attached presentation provides background on collector streets and collector street plans in the MPO.

**TC Action:** Discuss the MPO staff presentation on collector street plans and direct staff to complete an MPO-wide collector street plan

**Board Action:** Receive and discuss the MPO staff presentation on collector street plans and direct staff to complete an MPO-wide collector street plan
