5310 Grant Program of Projects Amendment

Mariel Klein, LPA Staff

The DCHC MPO received a CRRSAA (CARES Act) 5310 apportionment in the amount of \$47,435 in early 2021. A call for projects was released on April 14, 2021, and GoDurham ACCESS's proposal to use the funds to support on-demand transportation services to enhance mobility service for seniors and individuals with disabilities in response to decreased transportation options during the COVID-19 pandemic was selected and approved to receive the full funding amount by the DCHC MPO Board on June 9, 2021.

In order to begin expending those funds, staff recommends that the DCHC MPO approve the addition of these funds to the 2021 5310 Program of Projects (POP). By adding this funding to the POP, GoDurham agrees to fulfill CRRSAA 5310 reporting requirements.

TC Action: Approved the amended POP to include the awarding of CRRSAA funds to GoDurham ACCESS.

Board Action: Adopt the resolution amending the POP to include CRRSAA funds for GoDurham ACCESS.
